RELEVANT TRAINING CONSULTANTS

END-OF-YEAR REPORT

Fiscal Year 2025 - 2026

Program outcomes, credentials, and engagement

Annual Results

Workforce training at Department of Corrections facilities supported practical skill development, industry credentials, and preparation for employment after release.

964	854	88.6%
ENROLLMENTS	COMPLETIONS	COMPLETION RATE

Program performance

Program	Enrolled	Completed	Completion	Attendance*
Entrepreneurship & Small Business	207	179	86.5%	96.7%
Underground Utilities / OSHA	144	130	90.3%	98.3%
Irrigation Specialist / OSHA	80	63	78.8%	95.9%
Logistics (CLA / CLT / OSHA)	246	232	94.3%	97.5%
Small Appliance Technician / OSHA	127	117	92.1%	97.2%
Manufacturing & Logistics	160	133	83.1%	97.0%
TOTAL	964	854	88.6%	97.2%

*Attendance averages class-level completer attendance percentages. The overall 97.2% is the average across all 60 class records.

Annual highlights

- 60 class records across six program areas.
- 2,612 industry credential awards and 852 Polk State College certificates recorded.
- Average completer attendance exceeded 95% in each program.
- Reported course satisfaction ranged from 92% to 100%; most reported classes achieved 97% or higher.

Data basis: Enrollment counts are class enrollments, not verified unique students. Manufacturing & Logistics uses 160 enrollments from the spreadsheet rather than 159 in the narrative, reconciling the annual total to 964. Its completion rate is 83.1%.

Credentials & Workforce Skills

Students earned credentials across entrepreneurship, construction, irrigation, logistics, appliance repair, and manufacturing. Awards below reflect the counts supplied in the program workbook.

Program	Industry awards	PSC certificates
Entrepreneurship & Small Business	152	179
Underground Utilities / OSHA	119	130
Irrigation Specialist / OSHA	283	63
Logistics (CLA / CLT / OSHA)	601	232
Small Appliance Technician / OSHA	228	117
Manufacturing & Logistics	1,229	131
TOTAL	2,612	852

Credentials by program

Entrepreneurship & Small Business
152 Certiport Entrepreneurship & Small Business certifications.

Underground Utilities
119 OSHA 10 certifications.

Irrigation Specialist
72 Hunter Irrigation Fundamentals; 74 Hunter Valve Technician; 72 Hunter Wireless Valve; 65 OSHA 10.

Logistics
210 Certified Logistics Associate (CLA); 172 Certified Logistics Technician (CLT); 219 OSHA 10.

Small Appliance Technician
116 EPA Section 608 Type I; 112 OSHA 10.

Manufacturing & Logistics
136 CLA; 82 CLT; 128 Production; 135 Quality; 129 Maintenance; 129 Safety; 112 Certified Production Technician (CPT); 95 Certified Forklift Associate (CFA); 137 OSHA 10; 146 CPR.

How to read the totals

Industry awards include individual certification components, full credentials, OSHA, and CPR. Students may earn multiple awards; the total is not a count of unique certified people. The workbook lists 854 completions and 852 PSC certificates, reflecting 133 completers and 131 certificates in Manufacturing & Logistics.

Student Experience & Engagement

Students reported improved job-related skills and greater confidence in pursuing employment after release. Feedback consistently highlighted instructor knowledge, professionalism, and practical learning.

Student feedback and future priorities

Students valued	Priorities for future offerings
Knowledgeable instructors and real-world industry experience.	Expand hands-on labs, field exercises, and demonstrations.
Supportive teaching, clear explanations, and encouragement.	Provide more practice time and longer courses where feasible.
Industry credentials and practical career preparation.	Add advanced credentials, tools, equipment, and visual resources.

Engagement and program support

The activity workbook records **74 activities across 56 distinct dates**, from August 14, 2025, through June 26, 2026.

Activity type	Records
Program visits	39
Talon Tank	11
Graduations / graduation support	11
CPR instruction	9
Showcases	2
Inventory	1
Culinary competition	1
TOTAL	74

Records include instructional support, recognition events, and other engagement.

Sources and reporting notes

Compiled from PSC FY25-26 End of Year Report.pdf; PSC FY25-26 DOC Numbers.xlsx (all six program worksheets); and Polk State College Visit 25-26.xlsx. This summary consolidates class-level detail and the activity log. Student feedback is summarized; survey response counts were not supplied, so no weighted annual satisfaction rate is calculated.
